MEMORANDUM

TO: Candidates for the Hearing Aid Specialist Written Examination

FROM: Terry L. English, Health Facility Oversight Section Manager
Division of Health Licensing

SUBJECT: Examination to Establish Eligibility for Licensure as a Hearing Aid Specialist

The written portion of the examination to establish eligibility for licensure to fit and sell hearing aids in South Carolina will be conducted on **Tuesday, March 12, 2013**.

If you intend to take the written examination, the following must be received by the Division of Health Licensing (DHL) by February 12, 2013: (1) a completed application; (2) a \$95.00 fee; and (3) all phased training reports, I-V (if you hold a temporary permit). **If these items are not received by this date, you will not be allowed to take the examination.** (Note: For Item #8 of the application, please state whether you have previously submitted documented evidence as proof of a high school education to the DHL— if not, please provide this information with the application).

Those who pass the written examination are eligible to take the practical examination on May 7, 2013.

When all of the above required documentation has been received, you will be mailed a confirmation letter that will include directions to our office. Should you have questions, please call Terry English at (803) 545-4458 or Ed Jashinsky at (803) 545-4240.
